## CURRICULUM

The school follows the CCSS and NGSS American standards that encourage students to grow as critical thinkers and creative individuals. Instructional objectives are defined in all subject areas, but academic expectations are flexible enough to support each individual learner. Islamic and Arabic proficiency is also integral part of the curriculum where students can learn the religious and cultural moralities. Homework is an important part of the educational process as a means of follow up and assuring the understanding of the daily classroom lessons. Technology is an integral part of the school day to maximize the educational benefit to our students.

## GRADUATION REQUIREMENT

Students must complete 25 credit hours throughout grades 9 to 12, with a minimum score of 60% in each subject. In addition to that, each student must get a minimum IELTS score of 5 and at least 450 in SAT Math, or a minimum score of 1100 EmSAT\* English and 600 EmSAT Math to get their American High School Diploma attested by the Ministry of Education.
