### *Message From the Principal*

The road to success started right here in Al Azra, Sharjah 10 years ago. TAPS is not just a school, but a place of celebration of success helping students in becoming career-oriented adults landing dream jobs. The evolution of the school is an example of inspiration in leadership and learning. Although not always easy, while other schools face uncertainty, Taryam American School has stood strong in the test of time. TAPS has set the example that anything is possible with a learning community that is empathetic, compassionate, and ambitious.

As the leader of such a large school, I am proud to be part of a beacon that incorporates numerous twinkling lights, which empowers the entire system of such a grand lighthouse. My goal is to make sure that every student receives the best instruction, care and recognition providing a nurturing experience from beginning to end. The mechanism which allows growth is communication and continuous polishing of the current educational process, which continues to change due to the demand of the job market. Keeping up with the latest trends in education is an essential part of achieving industrial standards. Our children are a precious commodity as they are the future of tomorrow.

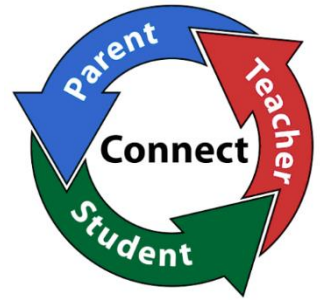

I am not only honored, but grateful for the support from all the stakeholders who helped with the evolution of the learning environment. I hope to continue to serve our learning community for many years to come with the continued hard work with all middle leaders and teachers who play a major role in the innovation of the school.

At the end, I hope that we will continue to be big family and inspire a new generation of Taryam intellectuals making a difference in the world.

**Dr. Raed**  
**School Principal**

***Our Vision:*** *To create an outstanding and creative educational environment which empowers students to achieve their potential and to become life-long learners and future leaders.*

## Introduction

**This handbook is designed to provide information and resources that will guide parents and students throughout the school year. The school has adopted all of the SPEA, safety and American curriculum practices. As you read through the handbook, should there be any questions, please do not hesitate to give us a call during working hours.**

**We inspire and educate a diverse student body who will create value for society and develop new theories, insights and models for societal progress. TAPS represents the future of real-world impact. We are engaged in a system that leads by example in contribution and National progress and prosperity. TAPS holds the UAE culture and academics to its highest accord and standards not ever losing sight of traditions that play a major role in our society with our mission and vision.**

***Our Vision:*** *To create an outstanding and creative educational environment which empowers students to achieve their potential and to become life-long learners and future leaders.*

## **Parental Involvement**

The school encourages parents to get involved and work with the school and teachers to ensure the students have the utmost learning experience. Your involvement should include:

- Work with your child on a daily basis and ensure that he/she have completed their homework.
- Make sure your child comes to school rested and prepared with all books and notebooks needed.
- Monitor your child academic progress and contact the school when needed.
- Participate in all parents-teachers conferences.
- Be familiar with all school activities and academic programs.
- Offer to serve as a parent representative in our accreditation focus groups.
- Participate in the Parents council.

## **Importance of Active Parent Involvement**

Acceptance of the child's interests with responses that are prompt and contingent to what the child signals supports learning. Responsive parenting is one of the aspects of parenting most frequently described when we try to understand the role the environment plays in children's development. There is plenty of research out there that provide evidence the importance of increased response having a positive affect on child development and learning.

Relationships between the parents and children that are warm, open and communicative result in higher self-esteem and better performance. As children get older, the needs change. It is important for parents to continue to find the right balance as older children begin to be more independent. As a school, we are here to continue to support our parents who may need additional support to provide a happy home environment.

***Our Vision:*** *To create an outstanding and creative educational environment which empowers students to achieve their potential and to become life-long learners and future leaders.*

## **Rules & Regulations of Taryam American Private School**

Taryam American Private School (TAPS) welcomes all our students and parents to our learning community. We like to thank everyone for having placed confidence in us that we will exert every effort to provide quality education and a happy school environment for your children. Therefore, you will find that TAPS has policies that are important to ensure the best quality education.

### **ADMISSION**

TAPS follows the acceptance requirements of the Ministry of Education of the UAE. In order to have successful registration at the school, parents must provide the following documents:

1. 6 Passport size photos
2. 2 Copies of Birth Certificate
3. 2 Copies of Student Passport and Visa
4. Copy of Father's Passport and visa
5. Original immunization record of the child
6. 2 Copies of Emirates identity of parents and student
7. 2 Copies of Family book for UAE Nationals
8. Original transfer letter SIS number
9. Copy of marks report from previous school

### **PLACEMENT TEST**

The school will administer a placement test for all new students for all levels to determine their skills in Arabic, Math and English.

### **ATTENDANCE**

Successful development and proper academic progress can only take place with adequate attendance. The school is also governed by the Ministry of Education which has regulations regarding the number of days for student absence. Student absenteeism may affect the student's academic records and his/her academic progression to the next level.

Students are expected to attend regularly. In cases of illness or family emergencies, the school must be notified. Medical notes should be provided to the school for absences longer than one day. Parents withdrawing students from school for any other reason should consider that the classroom experience can never be 'made up' with extra work sent home. If absence cannot be avoided, the administrative supervisor must be informed in advance. Days out of school because of suspension are counted as unexcused absence.

***Our Vision:*** *To create an outstanding and creative educational environment which empowers students to achieve their potential and to become life-long learners and future leaders.*

### PICK UP & DROP OFF

Students coming via cars can be present at school no earlier than 7:10. The school holds no responsibility for any student before the set time. Parents should pick up their children no later than 2:30. On Thursdays parents should pick up their children no later than 1:45pm.

### LATE ARRIVALS

All students are expected to arrive to school on-time. Late arrivals must report to the appropriate supervisor for a late slip before entering the classroom. Students who are frequently late to school are subject to disciplinary action.

### ABSENTEES

If for some reason students are going to be absent, parents/or guardian should call the school and inform the administrative Supervisor by 9:00am on the day of absence.

### LEAVING SCHOOL EARLY

Students are **not** permitted to leave school early without the presence of a parent or a signed note from a parent. A phone call or email is not sufficient.

### SCHOOL UNIFORM

Students must be in school uniform at all times. Only uniforms purchased at the school's authorized uniform-dealer may be worn. Only white t-shirts may be worn beneath the uniform. Uniform shirts which are overly large must be tucked-in. Students must wear white socks and black shoes only. Please contact the administration office for the details of the authorized uniform-dealer.

### CELLULAR (MOBILES) PHONES

Students may are not allowed to bring or use a cell phone in the school. Any phone that is found will be confiscated for the rest of the school year.

### BEHAVIOR IN BUSES

Inappropriate behavior while riding the bus can result in removal from the bus service for an indefinite period of time. Some specific rules related to bus are found in this Handbook.

### HEALTH & SAFETY INSTRUCTIONS

**Students are requested to follow the following safety rules:**

1. Students should keep 1.0 meter minimum all the time and in all the places inside the school premises.
2. Students should communicate with the school nurse or whoever acts on her behalf from the administration in case of feeling sick.
3. Wear a mask all the time, and in all school facilities, except when you are having your breakfast in the playground or the cafeteria.
4. Bring your own food and water. Sharing food and water is not allowed.
5. Never have food in classrooms or laboratories. Use the cafeteria for this purpose.
6. Ordering food from outside is prohibited.
7. Use your own prayer carpet.

*All academic and behavioral concerns should be addressed through the homeroom /subject teacher and section supervisor.*

### LOCKERS

- The lockers remain the property of the school and students ONLY rent it for the year. The school (administration) holds the right to inspect all lockers at any time, for any reasonable reason, whether the student is present or not.
- No one is allowed to break into his own locker or any other locker.
- Students must keep their lockers clean and tidy.
- No food is allowed inside the lockers.

### HOMEWORK POLICY

- At TAPS we firmly believe in strong partnership between parents, students and teachers.
- Parents are expected to encourage and support their children in completing assigned homework on time.

### COLLEGE GUIDANCE

- The school will provide career and academic advice to all grade 11 and 12 students.
- The school will host a yearly exhibition for many universities to come and offer students study and career options.

***Our Vision:*** *To create an outstanding and creative educational environment which empowers students to achieve their potential and to become life-long learners and future leaders.*

### STUDENT MONITORING

- Please keep in mind that the school is videotaping the students through security cameras installed in classrooms, hallways, canteens, and play areas.

### SCHOOL WEBSITE

- All parents can login to our school website at **<http://tapschool.ae/>** by using their login ID and password for all the information regarding school and their children.
- The following information can be found online: student's marks, remarks about performance from teachers, school calendar, upcoming events, announcements and holidays, homework, and assignments.

### MEDICAL SERVICES

**The following medical services are provided by the school clinic:**

- Basic First Aid Care.
- General medical check-up.
- Vaccinations will be given according to Ministry of Health.
- Medication to be dispensed only by the school nurse.
- The school nurse maintains medical records for every child in the school.
- The school nurse is available in the clinic during school hours.
- The school doctor visits the school clinic twice a week.

### WITHDRAWAL FROM SCHOOL POLICY

For students who withdraw from the school during the academic year, fee deduction will be applied as per the MOE Schools Fees Framework quoted below:

- ✓ If the student attends school for two weeks or less, a month's fees will be deducted.
- ✓ If the student attends school for a period ranging between two weeks and one month, two months' fees will be deducted.
- ✓ If the student attends for more than a month, three months' fees will be deducted.
- ✓ If the student attends for more than three months, one full term fee will be deducted.

**Notes:**

- Book fees are non-refundable.
- The refund policy mentioned above applies to transportation fees.
- If the student registered but does not attend school, the withdrawal policy mentioned above applies and effective as per date written notification has been submitted to administration by parents.
- One month fee is calculated by dividing the school fee by 10 months (academic year)

**EXTRA-CURRICULAR ACTIVITIES**

The school considers extracurricular activities to be an important part of school life.

Participation in extracurricular and athletic activities is encouraged. All activities are supervised by teachers and students will be under the supervision of their adviser at all times. Awards and certificates of participation are given to students who take part faithfully, assume roles of leadership and responsibility, and who achieve excellence in some area.

**Below is a list of activities that are offered to our students every Monday and every Wednesday.**

1. Scientific club
2. Art club
3. English club
4. Chess club

## STUDENT COUNCIL

Each year the school organizes a student council election. Students from grades 5-11 are given the opportunity to nominate themselves if they meet the criteria. The students elect a fellow classmate to represent them in administrative meetings, events and special occasions.

The council aims to increase the communication channels between the administration and students and create a dynamic atmosphere at the school. It will also allow the students to gain good social experiences by participating in the elections whether they are nominated or not.

## FOOD SERVICES

Two breaks are provided daily for students from grades 1 to 4 and one long break for students from grades 5 to 9 in addition to prayer break. Students may bring food from home or purchase items from the school canteen.

All children are asked to bring a healthy and nutritious snack or drink to school each day for the break period. We recommend a sandwich, vegetables, fruit, and water or fruit juice. Please do not send your child to school with any items that require refrigeration or heating. Candy, chewing gum, chocolate or chocolate covered cookies of any kind are not permitted.

## FIRE ALARM

Any student who pulls the fire alarm safety string will be severely punished. He/she may be suspended or expelled if the offense is repeated.

## EVACUATION DRILLS

TAPS will have periodic evacuation drills to prepare students for real emergencies. These drills are supervised by the Civil Defense.

## TELEPHONES

The office telephone is a business phone and students are not permitted to use the phone except in emergencies. Students should obtain permission from their supervisors.

## **Dress Code: Uniform and Appearance**
